

CIRCULATION SCREENPRINTING

2004 PRICE LIST

INFORMATION:

Circulation screenprinting is part of the Station Hill Studios complex located in Germantown NY. The studios are backed by a collective of creative individuals and businesses.

The following price list only represents a popular selection of what is available to our clients, Circulation has a large spectrum of printable garments available to our customers. If you have something in mind that you don't see in the following guide, please don't hesitate to ask, chances are we can get whatever you or your business needs; garments, promotionals, whatever!

Services:

Circulation is capable of printing up to 6 color jobs, including process printing. We also offer art & design services and have an nearly endless stream of talent ready to provide any wearable concept you may need. We also offer spot color separation services and film output for spot colors. Circulation prefers to supply all garments for printing, but we do offer *wage printing* services. With wage printing, Circulation can print on supplied garments (must be 100% cotton or cotton blend) but holds no liability for the quality of the supplied garment, inquire for details.

Brands:

Circulation receives distribution from manufacturers such as *Gildan, Hanes, Fruit of the Loom* and *Anvil*. We prefer to supply our customers with the finest, and the finest tend to be from **American Apparel**, their quality is only matched by their style. *American Apparel is also 100% made in the USA and guaranteed sweatshop free*, please inquire if interested - any style in our guide is also available from AA.

Colors:

If you have a specific color in mind for any garment, we can almost certainly find it for you. The pricing chart is broken up by Lights, Heathers and Colors. Lights includes whites and naturals, Heathers are grey and ash blends, while Colors refer to pigmented garments: dark and / or black - unless otherwise noted. Specialty garments like some of the womans styles may be more limited in their available color gamut.

Pricing:

Prices in the charts reflect the cost of the **garment and one print**. The prices are also for our *preferred* quantity of orders, **36-72 garments total and at least 12 garments per design**. We will print as low as 12 pieces, refer to the chart below to adjust the price charts for different quantities. Wage printing starts at \$2.25 per garment, adjust the price using the chart below to determine overall cost. Wholesalers and printers who wish to outsource should inquire for revised quotes on wage printing.

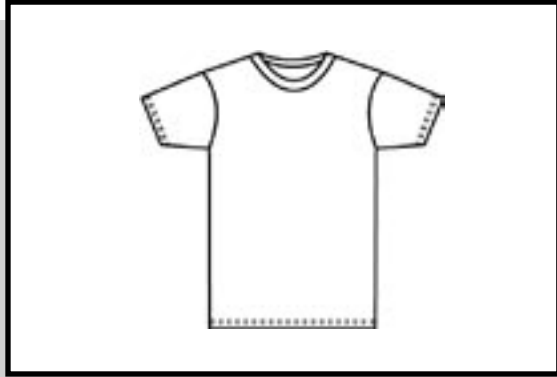

Prices are also adjusted by adding colors to your design, and by ordering additional prints elsewhere on the garment. For additional prints on the garment (ex. front & back) add 50¢ per print. We offer process printing services for an additional charge of \$1 per shirt (+ colors/prints) and a \$100 screen charge. For orders over 172 pieces, please contact us directly for a revised quote.
